Section 6.11 Flex Time. Upon mutual agreement of the employee and his or her Department Head or his or her designee, taking into consideration the needs of the employee and the department, an employee may be granted flex time. For purposes of this Agreement, "flex time" shall mean a flexible schedule of hours so that the employee works the same number of hours during any given pay period as he or she would normally work.

Section 6.12 Effect of End of Daylight Savings. For those twenty-four hour, seven-days-a-week operations, employees who work on the day when daylight savings time ends in the fall shall be paid for actual hours worked.

Section 6.13 Increase in Work Week.

- (a) A Department Head may increase the regular work week of his or her department from thirty-five (35) hours to thirty-seven and one-half (37-1/2) or forty (40) hours with the approval of the County Executive.
- (b) In the event that a department work week is increased per this section, individual employees may exercise the option to remain on the shorter work week. In such a case the employee will retain full time status but will accrue paid leave on the basis of the shorter work week. The employer and/or its representative shall not pressure nor otherwise discriminate against an employee who does not wish to change his or her work week.
- (c) If, after adopting an increased work week a Department Head wishes to return to a thirty-five (35) hour work week, she/he may request permission from the County Executive to reduce the hours.
- (d) At least two (2) weeks' notice will be given department employees in the event of a change in the normal work week. Employees who choose to remain on the shorter work week must notify the Department Head in writing at least one (1) week prior to the scheduled change.
- (e) Two (2) weeks prior to the implementation of an increase or decrease in the regular work day and/or regular work week, as set forth in Section 6.13 (a) & (c) respectively, the Department Head shall meet with representatives of the Union to review the mutually agreeable established guidelines for the change to insure that such guidelines pertain to circumstances under which the change in the hours of work is to take place. Any modifications in the guidelines shall, as necessary, be mutually established by the representative of the employer and Union during the two (2) week period.
- (f) The Employer or a Department Head shall not increase the hours of work of the employees in his or her department to circumvent Sections 7.03 and 7.04 or other

appropriate provisions of this contract.

(g) The Employer or a Department Head shall not be allowed to reduce the hours of work of any employee below the level he or she would work in accordance with the hours in a work week set forth in Sections 6.01, 6.02 and 6.03 of this Article.

(h) Guidelines for Increasing Department Workweeks.

(1) "Department" may be equally applied to entire departments or to individual sections of a larger department.

(2) It is agreed that the county will endeavor to provide three (3) weeks' notice, if possible, and the employee will endeavor to provide two (2) weeks' notice, if possible. No violation, however, would apply as long as Section 6.13 (d) is observed.

(3) Section 6.13(e) is here clarified that the purpose of the meeting is not to negotiate details of the changed work week, but to insure that the changes proposed are within these guidelines, and to answer any questions which may arise out of unusual circumstances in the department.

(4) Employees' hourly rates of pay shall remain the same. Cents-per-hour longevity rates will be recalculated upon the new work week.

(5) Accruals:

A) Hourly leave accrual balance will be carried forward unchanged. No employee will suffer a loss of accruals due to an increase or decrease in the work week.

B) "Day" for monthly or pay period accrual rates will be calculated as follows:
Scheduled hours in work week divided by five (5).

C) If an employee chooses to remain on the shorter work week, he or she will have benefits calculated on the basis of that work week.

D) It is agreed that no percentage (less than full time) employee will lose benefits as a result of a change in the work week moving them below the fifty percent (50%) or ninety percent (90%) benefit cut-offs.

E) The Department Head will set starting and ending times for shifts, and will set the amount of unpaid time for meals, as well as the hour at which meals may be taken. No employee will be regularly scheduled to work for more than eight (8) hours per day or have less than one half (1/2) hour for lunch without his or her written consent, except as provided in a four (4) day work week.

F) All employees entering the department after the work week is increased shall work the increased schedule. The department shall advise the entering employee of the option for the department to return to a shorter work week.

G) If the Department Head determines that the work week should be decreased or returned to thirty-five (35) hours, he or she will provide at least two (2) weeks' written notice to all employees.

H) If during the first two (2) years of a department's increased work schedule, a lay-off of any department employee is planned, the Department Head shall meet with the Union two (2) weeks prior to the effective date to discuss the proposed lay-off as it relates to the extended work week.

Section 6.14 Overtime. Any overtime work shall not of itself be cause for limiting the basic work week of any employee.

Section 6.15 Change in Work Week from Five (5) to Four (4) Days.

- (a) A Department Head may change individual positions from a five (5) day work week to a four (4) day work week with the approval of the County Executive. Prior to implementation of a four (4) day work week, the Department Head shall meet with the President of the union and review the plan. Union concurrence shall not be required. No employee shall be required to work a four (4) day work week. When from an operational point of view, as determined by the Department Head, this alternative work schedule can be made available to employees performing similar work within the affected work group, the alternative work schedule shall be made available to said additional employees.
- (b) At least two (2) weeks' notice prior to implementation will be given to an employee appointed to the specific position that will be changed from a five (5) day work week to a four (4) day work week. Upon two (2) weeks' notice, based upon operational needs, a Department Head may revert some or all of the employees back to a five (5) day work week. Prior to reverting to a five (5) day work week, the Department Head shall meet with the President of the union and review the plan. Union concurrence shall not be required.

- (d) Bereavement leave pay as provided in Section 11.04 shall be granted as expressed in number of consecutive hours. It shall be calculated by multiplying the number of bereavement days granted by scheduled hours in work week divided by five (5).
- (e) During a work week that includes a holiday as observed in Section 11.05, the employee working a four (4) day week will have his or her daily scheduled hours decreased to the work hours for a five (5) day work week. The holiday will be paid at the rate for a "day" as calculated in accordance with Section 6.13(h)(5)(B) above.

- (b) Steps.

- (1) Employees shall be hired at Step 1, except as provided in Section 8.03(b)(2).
- (2) The County may offer a starting wage above Step 1 when the County determines a higher starting wage is necessary in order to hire whom the County considers the best candidate for the position.

A) Any classification or title affected by a new hire at higher than Step 1 will automatically be referred to the Reallocation Committee for analysis and review.

B) When a new employee is hired above Step 1, the County will review all employees in the classification or title affected by this action, who are being paid less than the offered starting wage, to determine whether their education, experience, and performance, as determined by the County, justifies an increase in their wage rates. The County shall thereafter adjust their wage rates to the extent appropriate. Any employee who believes he or she has been treated unfairly under this provision may request a review of his or her education, experience, and performance by a committee consisting of: the President, CSEA Unit #6300; the Department Head; and the Director of Human Resources. The decision of this committee shall be final.

(3) All types of employees shall be granted an increment to the new Step 2 six (6) months following the date the employee is hired.

(6) Every employee, whether eligible for an increment or not, shall have an annual performance evaluation. Evaluations shall be a tool to determine an employee's eligibility for an increment and to encourage and enhance the work performance of employees who have reached the top step of their grade.

A) Annual evaluations may be used to deny an increment but cannot be used to deny any other benefits provided under the contract. Annual performance evaluations shall not form the sole basis upon which disciplinary action is based. Assessments of an employee's performance should occur throughout the evaluation period and where correction is needed action to assist the employee in improving their performance, such as performance improvement plans (PIP), shall be taken in a timely manner and not delayed until the annual performance evaluation.

B) Step increments 4 through 9 are NOT mandatory and each employee shall be entitled to an increment only when his or her work is such that his or her appointing authority shall determine their eligibility based on the criteria set forth in this paragraph (6), as determined during the annual employee evaluation process and files a Report of Personnel Change (RPC) or its equivalent form

recommending the increment. In making recommendations, the head of a department will consider the following; attitude toward job, fellow workers and the public, knowledge, quality of work, cooperativeness, i.e., follows directives and standards of practice, initiative, desire to learn, attendance, and conformity to accepted work standards, and suitability for the job assignment as demonstrated during the scope of the annual evaluation period.

C) Employees who have been on paid or unpaid leave for a majority of the annual evaluation period shall not be eligible for an increment, and shall not otherwise be eligible for an increment until the employee has been in active employment status for at least six (6) months. Upon return to active employment status an employee shall be eligible for an increment on the first evaluation period (July or January) next following the completion of six (6) months of active employment.

D) The evaluation criteria shall be provided to the employee at the beginning of the evaluation period along with any specific performance standards that may be set by individual Department Heads. Performance standards must relate to the duties and responsibilities of the employee's title. Receipt by the employee of such performance standards, shall be acknowledged in writing by the employee at the time of presentation. In instances where concerns are identified anytime during the evaluation period, the rater will meet with the employee anytime during the evaluation period to discuss the areas where the performance standards are not being met and to propose remedial action to correct the deficiencies. Notice in writing stating a reason for not receiving the increment will be given thirty (30) days in advance to any employee who is not being recommended for an increment to which he or she would otherwise be entitled.

E) In the event an employee, at the time an annual performance is due, is out of work due to illness or other approved leaves of absence for less than a majority of the evaluation period, that employee shall have their evaluation conducted within three (3) business days of their return to active duty status, not withstanding any other provision of this Section 8.03 (b)(6). If eligible for an increment the employee shall receive the retroactive increment thirty (30) days thereafter.

F) In no event will an increment be denied when the employee has not received his or her annual evaluation before the denial notice is sent, the thirty (30) day notice is not given on a timely basis, or the appointing authority has failed to follow the provisions of this paragraph (6).

G) An employee not receiving an increment at their annual review who is otherwise eligible shall be evaluated for increment consideration within the next six (6) month period.

(7) Once an increment to Step 4 is approved, it shall go into effect the earlier of either the 1st of January or the 1st of July, whichever is at least six (6) months following the date the Step 3 increment was granted.

- (d) Increment eligibility upon changing from part-time (less than 50%) to regular full-time status. An employee who has attained Step 3 and moves from part-time (less than 50%) to regular full time status, becomes eligible for an increment on the 1st day of January or 1st day of July after he or she has completed six (6) months service in regular full-time status and thereafter annually on the anniversary of that increment.
- (e) Advanced Increments. With the approval of the County Executive, the head of a department may grant an increment prior to the anniversary date for the next annual increment when he or she determines it to be merited. The President of the CSEA Unit #6300 shall be notified of this event.
- (f) Employees who terminate employment at Steps 2 or 3 and who are subsequently re-employed within one (1) year from date of separation shall be placed at the step previously held. Calculation of time toward the next increment shall be from the date of re-employment.
- (g) Employees who terminate employment at higher than Step 3 and who are subsequently re-employed within one (1) year at the same or lower grade may be placed at the same step they held at separation, subject to the discretion of the appointing authority. However, such employee shall not be placed at a Step lower than Step 3. Calculation of time toward the next increment shall be from the date of re-employment.
- (h) Employees that have attained a step higher than Step 3, who resign full-time employment but continue employment as part-time (less than 50%), temporary, seasonal or substitute in the same grade may be placed at the same step they held at separation, subject to the discretion of the appointing authority. Such employees shall not be eligible for further step increases.
- (i) Employees who are recalled to employment from lay-off in the same salary grade held at time of lay-off, shall be placed on the salary step that they would have attained had such lay-off not occurred, provided the employee's last performance evaluation was satisfactory.

Such request must be in writing and be directed to the Director of Human Resources stating the justification for the proposed change in pay grade and any facts supporting the change.
- (c) The Director of Human Resources, the County Executive and the President of CSEA Unit #6300 shall review the requests for reallocation within thirty (30) working days the request is submitted. The Committee shall render a decision within ten (10) working days after the committee meeting. Thereafter, the decision of the committee shall be transmitted to the County Legislature for the next month prefile deadline. Any time limits may be extended by mutual agreement.
- (d) Any change in grade will be effective as of the date the resolution is passed by the County Legislature.
- (e) Failure by the Employer to meet the time frame set out in this Section will not constitute approval of the request.

- (a) "Reclassification" is a civil service term meaning the change of a position from one job title (job class) to another because of a permanent and material change in the duties of that position.
- (b) The reclassification of positions is governed solely by the New York State Civil Service Law and Rules.

eligible, or the employee returns to work, whichever is sooner.

Employees are strongly encouraged to contact the County Insurance Office for assistance on calculating their benefits and options outlined below at least thirty (30) days prior to their selected date of retirement. The Insurance Office will provide an explanation of the options, and calculate benefits under each option for the employee.

Section 17.05 Benefits.

(a) Sick Leave Benefit.

(1) Benefit.

A) Upon retirement, an employee may use a limited number of sick leave accruals as a credit for health, vision and dental insurance. The sick leave accruals allowed to be used for this benefit shall be limited to a maximum of one hundred eighty (180) days, plus twenty-five percent (25%) of the total of the residual sick leave days above one hundred eighty (180). Five (5) sick days (constituting the regular, full time work week) shall entitle the retiree to a credit of one (1) month of insurance, with the retiree paying insurance premium contributions or the employee share of the deductible equivalent to their active service contribution rules in place at the time of their retirement, as specified in Section 16.01(d) or 16.01(i). Effective January 1, 2022, five (5) sick days (constituting the regular, full time work week) shall entitle the retiree to a credit of one and a quarter (1.25) months of insurance, with the retiree responsible for the share of the deductible equivalent to their active employee service contribution rules in place at the time of their retirement, as specified in Section 16.01(d) or 16.01(i). Such sick leave may only be credited in five (5) day increments.

B) Effective upon ratification of this Agreement, the sick leave accruals allowed to be used for this benefit shall be limited to a maximum of one hundred eighty (180) days, plus fifty (50%) of the total of the residual sick leave days above one hundred eight (180). The terms within this Section 17.05(a)(1)(B) shall expire on expiration date of this agreement as listed in Article 24 and revert to the terms contained in Section 17.05(a)(1)(A).

(2) Direct Retirement. Only those employees who retire directly from County employment shall be eligible for this benefit.

(3) Notification. Such employees shall notify the County Insurance Office of their enrollment selection for retirement at least thirty (30) days prior to any change in enrollment.

(4) Opt Outs. Those County employees who opted out of the County sponsored health insurance plan (as defined in Section 16.01) are also eligible for this benefit upon retirement.

(5) Two Spouses Employed by County. If a husband and wife are both employed by the County, each shall be entitled to such sick day credit upon retirement.

(6) Effective upon ratification of the 1/1/2004 — 12/31/2007 Agreement, ten percent (10%) of a retiree's sick leave balance not used for retiree health insurance shall be credited to the CSEA sick leave bank.

(b) Service Credit Benefit.

(1) Effective January 1, 2019, any employee who retires with 15 or more years of employment with the County shall be credited one (1) month of health, vision and dental insurance for every full year of employment. Effective January 1, 2022, any employee who retires with 15 or more years of employment with the County shall be credited one and a quarter (1.25) months of health, vision and dental insurance for

every full year of employment. Said retiree shall continue to pay insurance contributions equivalent to their active service contribution rules in place at the time of their retirement, as specified in Section 16.01 (d) or 16.01 (i). Said benefit shall be utilized only after all sick leave accruals are utilized as described in Section 17.05(a).

(2) Direct Retirement. Only those employees who retire directly from County employment shall be eligible for this benefit.

(3) Notification. Such employees shall notify the County Insurance Office of their enrollment selection for retirement at least thirty (30) days prior to any change in his or her enrollment.

(4) Opt Outs. Those County employees who opted out of the County sponsored health insurance plan (as defined in Section 16.01) are also eligible for this benefit upon retirement.

(5) Two Spouses Employed by County. If a husband and wife are both employed by the County, each shall be entitled to such retirement enhancement upon retirement.

Section 17.06 Alternate Options.

(a) Flattening the Employee Contribution. Upon retirement, if an employee is eligible for benefits under Section 17.05, and the employee has not selected benefits under Section 17.06(b), the employee may select an extended pay out of the County's post-retirement contribution to the premiums to flatten the employee's contribution from the time of retirement to the time that the employee is eligible for Medicare. Under this scenario, a ratio of the County's contribution towards the retiree's premium will be established at the time of retirement. This ratio will be set as the number of months of credit per Section 17.05 divided by the number of months from the time of retirement until Medicare eligibility. This ratio shall remain fixed until the retiree reaches Medicare eligibility. This ratio will be multiplied by the County contributions for an active employee each calendar year to determine the County's post- retirement contribution for that year. The employee will then pay the active employee premium, plus the remainder of the County's contribution after applying the formula above. Effective upon ratification, the flattening option is eliminated. Retirees who elected the flattening option prior to ratification may continue through the duration of their benefit period.

(b) Cash Out. Upon retirement, an employee may choose to utilize the benefits as outlined in Section 17.05, the flattening option outlined in Section 17.06(a), or to permanently exit the County sponsored health insurance plan (as defined in Section 16.01) and receive annual payments equal to their net benefits accrued under Section 17.05 until such benefits are exhausted. Such benefits shall be calculated based on premium rates at the time of retirement, and shall be paid out in annual installments based on the time period that the employee would receive Section 17.05 benefits. An employee may only receive these annual payments if the County sponsored health insurance plan is relieved of all liability for that employee's medical, dental and vision services. The only exception would be in the event the retired employee is married to an active county employee or another retiree who is using their earned benefit, the retiree may be covered under the spouse's plan as a dependent as long as the spouse is eligible

for coverage under the County's Insurance plan as an active employee or as a retiree. Such net benefits shall be calculated as follows:

- (1) the monthly full PPO premium rate for the employee at the time of retirement based on the selection the employee made during the prior year's selection period as described in Section 16.07 of this Agreement;
- (2) less the monthly active employee premium at the time of retirement;
- (3) times the number of months that the retiree is entitled to continued coverage paying the same premiums as active employees.

Effective 1/1/2022 such net benefits shall be calculated as follows:

- (1) The full annual premium plus the annual deductible based on the selection the employee made during the prior year's selection period as described in Section 16.07 of this Agreement;
- (2) Times ninety percent (90%)
- (3) Divided by 12 months
- (4) Times the number of months that the retiree is entitled to continued coverage paying the same premiums as active employees.

Section 17.07 Piggybacking Benefits. If two County employees are married, they may piggyback the benefits accrued under Section 17.05. Under this scenario, if one employee-spouse retires, and one remains an active employee, the active employee continues to pay the active employee premium, and the retired employee is covered by the active employee's enrollment. When the second employee-spouse retires, his or her Section 17.05 benefits are utilized. When those benefits are exhausted, the Section 17.05 benefits accrued by the employee-spouse that was first to retire are utilized. When such employees retire simultaneously, one spouse shall use up his or her credit to garner health insurance benefits under this provision from the date of retirement. Such benefits for the second spouse shall commence when the benefits for the first spouse are exhausted or terminated. The premium for the second spouse shall be equivalent to the active employee payroll deduction for such insurance in effect on the date of commencement of the benefit for the second spouse.

Section 17.08 Premium Without Other Benefits. Upon retirement, an employee covered under this Agreement shall pay the full premium equal to the amount paid as an active employee plus the County's contribution for an active employee. If Section 17.05 benefits are available, the employee shall pay such full premium once those benefits are exhausted.

Section 19.08 Payroll Deductions. The County shall administer and allow payroll deductions pursuant to State and Federal laws for college savings plans, deferred compensation and flexible benefit plans.

Section 19.09 Employee Identification. Identification cards shall be issued to all employees. Employees shall be required to have such identification card on their person or be able to

immediately produce it at all times while on the job and where it is safe and appropriate to do so, shall wear the identification in plain view.

Section 19.10 Reasonable Suspicion Drug and Alcohol Testing Policy. A committee of equal number of CSEA 6300 and management designees shall be formed to create a reasonable suspicion Drug and Alcohol Testing Policy for all employees of Chautauqua County. The committee shall be formed and commence monthly meetings by March 1, 2020. No implementation of such policy will occur without prior agreement from the CSEA 6300; however, the objective is to establish reasonable suspicion drug and alcohol testing procedures by March 1, 2021. Should no agreement be made by March 1, 2021, the parties agree to reopen negotiations concerning the reasonable suspicion drug and alcohol testing policy for all members of the CSEA 6300 collective bargaining unit.

ARTICLE 20. GRIEVANCE PROCEDURE

Section 20.01 Grievance Defined. Grievance Defined. A grievance is a complaint of one or a group of employees involving the interpretation, application, or enforcement of the expressed terms of the Agreement, existing laws, rules, procedures, regulations, administrative orders, or work rules of the County; except such terms shall not include any matter which is otherwise reviewable pursuant to law or any rules or regulations having the force and effect of law. No settlement reached at any step in the grievance process that has not been approved by the County and CSEA shall add to, subtract from, change, delete, or modify any terms of this Agreement.

Section 20.02 STEP 1. An aggrieved employee shall have the right to present to their immediate supervisor orally within fifteen (15) working days of the alleged occurrence any grievance that falls within the scope of the definition set forth above. A grievance not presented within fifteen (15) working days of the alleged occurrence will be determined to have been waived. An aggrieved member of CSEA Unit 6300 may be accompanied and represented at all times by a union representative of their choice.

Section 20.03 STEP 2. If the grievance is not satisfactorily resolved in Step 1, the aggrieved employee may submit a written explanation on a Grievance Form of the grievance to the appointing authority within twenty (20) working days of the alleged occurrence of the grievance. The written explanation of the grievance shall set forth a statement of facts and a description of the action that the grievant claims to be improper in accordance with the information sought in the grievance form. No grievance will be accepted without a CSEA steward or officer's signature. If the appointing authority is unable to respond to the grievance because of the grievant's failure to complete the grievance form, the appointing authority shall return the grievance form to the CSEA Unit #6300 President with a written request for information which is necessary for the appointing authority to properly review the grievance. The CSEA President shall be given five (5) working days from the receipt of the request for clarification to provide the additional information requested. Failure of the grievant or CSEA President to respond to the request for clarification shall not relieve the responsibility of the

appointing authority to complete its obligation under this Step 2, nor shall it prevent the grievant from proceeding through the remaining stages of the grievance procedure. Within ten (10) working days following the receipt of the written explanation of the grievance, the appointing authority will reply in writing on the Grievance Form. If the appointing authority is unable to render a decision within the ten (10) day period, they shall indicate in writing the reasons for delay and date of expected completion. Delay should not exceed thirty (30) working days. If the matter is satisfactorily resolved, the aggrieved employee, the appointing authority and the CSEA President or designee shall each sign the grievance form showing that the matter has been satisfactorily resolved.

Section 20.04 STEP 3. If the grievance is not satisfactorily resolved at Step 2, the aggrieved employee may sign the Grievance Form indicating their desire to proceed to Step 3. The Grievance Form shall be filed with the Director of Human Resources not more than five (5) working days after receiving the written reply in Step 2 of this Article. The Director of Human Resources, within ten (10) working days after the filing of the aforesaid grievance form, shall schedule a hearing on the matter at which time the appointing authority or designee and the aggrieved employee and/or their representative, if any, shall both appear and present written and/or oral arguments. The Director of Human Resources shall, within ten (10) working days after the hearing, make a determination and send a copy to the Department Head, the CSEA President and the Labor Relations Specialist.

Section 20.05 STEP 4. If the grievance is not deemed satisfactorily resolved in Step 3, CSEA may within twenty (20) working days after receipt of the Director of Human Resources determination notify the Director of Human Resources in writing that they intend to submit the matter to binding arbitration.

The following list of Arbitrators shall be utilized for arbitration proceedings under this Article 20, in the designated order:

- 1) Michael Lewandowski
- 2) Martin F. Idzik
- 3) Jeffrey Selchick
- 4) Nancy E. Hoffman
- 5) Lise Gelernter

Additional arbitrators may be added upon mutual agreement.

Upon receipt of a request for Arbitration, the Director of Human Resources will notify the Arbitrator next in line.

Each January (between January 5th and January 15th) either party may strike one arbitrator off the list on written notice to the other party. The parties shall then mutually agree to a replacement Arbitrator within thirty (30) days.

If an Arbitrator resigns from the panel, the parties shall then mutually agree to a replacement arbitrator within thirty (30) days.

The decision of the Arbitrator shall be final and binding. The Arbitrator shall have no power to add to, subtract from, change, delete, or modify any terms of this Agreement. The

cost of said arbitration shall be borne equally by the employer and CSEA, not to include the salaries of the County or CSEA officials, representatives or other professional representation.

Section 20.06 Time Limitations. Except as otherwise herein stated, if any grievance is not answered according to the set time limits, by either party, the grievance is forfeited to the other party. Any time limits may be extended in writing by mutual agreement.

ARTICLE 21. DISCIPLINARY PROCEDURE

Section 21.01 Counseling Memoranda and Performance Improvement Plans. The Department Head or designee and the employee involved are encouraged to resolve matters informally. Each side shall extend good faith effort to resolve the matter at the earliest possible time. Discipline shall not be implemented until one of the following steps has occurred:

- (a) The Department Head or designee shall issue a counseling memorandum (memo) when an issue has been identified. The purpose of the counseling memo is to make the employee aware of the issue as well as any county policies related to the issue. Counseling memos are to be informative and constructive exchanges privately between the Department Head or designee and the employee. Counseling memos are not considered discipline and are not to be used as reprimands and as such do not permit the presence of representation by CSEA, unless mutually agreed upon by Department Head or designee and the employee. The Department Head or designee will attempt to assist the employee in finding means to correct the issue. Or;
- (b) The Department Head or designee shall issue a Performance Improvement Plan (PIP). The purpose of the PIP is to make the employee aware of the issue as well as any county performance standards related to the issue. The Department Head or designee will attempt to assist the employee in finding means to correct the issue. PIPs shall have specific standards for the employee to follow related to the issue and will be given a time frame, not to exceed six (6) months, to review the employee's progress and determine if further action is needed. PIPs are not considered discipline and are not to be used as reprimands; however, a representative would be allowed if requested by the employee during the issuance of the PIP. If the employee is not afforded representation during the issuing of the PIP, the PIP cannot be used for discipline. Non-members will be advised of their right to provide their own representation.

Verbal coaching may or may not have preceded the counseling memo; it is at the discretion of the Department Head or designee any time prior to discipline. Please note egregious acts do not require progressive penalties and could be subject to immediate suspension or termination based on offense.

Section 21.02 Applicability.

- (a) The County and CSEA have agreed that the following disciplinary procedure shall apply to all county employees under the conditions outlined below.
- (b) Permanent Regular Employees. This procedure shall apply to any permanent regular employee who:

- (1) Has successfully completed the probationary period, and who
 - (2) Works fifty percent (50%) or more of the normal work hours per week for the department, and who
 - (3) Is covered by the bargaining unit.
- (c) Provisional, part-time, seasonal, temporary and substitute employees. Employees who are provisional, part-time [less than fifty percent (50%)], seasonal, temporary for less than one (1) year, or a substitute are not covered by this procedure unless written charges are presented to the employee by the Department Head. Although employees in this category are not mandatorily covered, Department Heads are encouraged to use this procedure. Exclusion from coverage under this procedure in no way negates the employee's existing rights to protection under the contract.

Section 21.03 Definitions. For purposes of this Article, the following definitions shall apply.

- (a) "Discipline" shall mean a penalty for acts of misconduct or incompetence by an employee with such penalties given by a progressive manner to correct the behavior. Such progressive discipline shall consist of the following steps:
- (1) written reprimand,
 - (2) suspension(s) without pay,
 - (3) last chance agreement which may include further penalties,
 - (4) termination of employment.
- Management reserves the right to charge any form of discipline, including demotion, based on the severity of the misconduct or incompetence. Egregious acts do not require progressive penalties and could be subject to immediate suspension or termination based on offense.
- (b) "Notice of Charges" shall mean a written notice of proposed discipline made in writing and served on the employee personally or by registered or certified mail, return receipt requested. Such notice shall set out the allegations of incompetence or misconduct for which discipline is proposed, and the proposed form of discipline.
- (c) "Statement of Employee Rights" shall be a statement which accompanies every Notice of Charges, a copy of which follows this Article.

Section 21.04 Employee Rights.

- (a) An employee who is a member of CSEA Unit 6300 shall be entitled to representation by CSEA or an attorney at their own expense at each step of the disciplinary procedure, including informal settlement of a proposed discipline. An employee who is not a member of CSEA Unit 6300 shall be entitled to representation at their own expense at each step of the disciplinary procedure, including informal settlement of a proposed discipline.
- (b) No employee who at the time of questioning appears to be a potential subject of disciplinary action shall be questioned or asked to sign any statement without representation first being offered to the employee. The Notice of Questioning form contained in Article 21 is to be used for this purpose and does not apply to Section 21.01.

- (c) No recording device or stenographic or other record shall be used during questioning unless the employee is advised in advance that a transcript is being made and is thereafter supplied a copy of the record, at least five (5) working days prior to the date of arbitration. The cost of the transcript will be borne equally by the County and CSEA or the employee.
- (d) In all disciplinary proceedings the employee shall be presumed innocent until proven guilty and the burden of proof on all matters shall rest upon the employer.
- (e) An employee shall not be coerced, intimidated, or suffer any reprisals either directly or indirectly that may adversely affect his or her hours, wages, or working conditions as the result of the exercise of his or her rights under this procedure.
- (f) Employees covered under Sections 75 and 76 of the Civil Service Law shall have a one time, irreversible option of choosing this procedure or choosing Sections 75 and 76. This option may be exercised with each occurrence of disciplinary action.
- (g) When discipline is proposed for an employee who is eligible for Section 75 and 76, the Department Head shall advise the employee that discipline is contemplated and allow the employee to choose the forum. Prior to the choice, the Statement of Employee Rights which follows this Article shall be given to the employee.

Section 21.05 When Discipline Can Be Proposed.

- (a) **Limitations.** The Notice of Charges must be presented within six (6) months of the work-related acts or omissions or from the date of discovery of the work-related acts or omissions, unless the act or omission would constitute a criminal offense. The Department Head may consider prior efforts as specified in Section 21.01 and any previous discipline regarding same or similar behavior when deciding on the proposed disciplinary penalty.
- (b) **Reasons for Discipline.** Discipline shall be imposed only for incompetence or misconduct. The specific acts for which discipline is being imposed and the penalty proposed shall be specified in the Notice of Charges. The Notice served on the employee shall contain a description of the acts or omissions alleged to be evidence of misconduct or incompetence including reference to dates, times and places.
- (c) **Implementing Discipline.** Discipline shall not be implemented until either:
 - (1) The matter is settled, or
 - (2) The employee fails to counter propose, demand an internal hearing or arbitration within the time frame provided by this Agreement, or
 - (3) The penalty is upheld by the Arbitrator or a different penalty is determined by the Arbitrator.

Section 21.06 Procedure

- (a) **Notice of Charges Presented.** The Department Head or designee will prepare a Notice of Charges and present it to the employee. Included with the Notice of Charges shall be the Statement of Employee Rights. The Notice of Charges shall contain a statement where the employee, by signature, can indicate that he or she has personally received the Notice. If the employee refuses to sign indicating

- receipt, such Notice shall also be served on the President of CSEA or his or her designee, who shall sign indicating receipt in the employee's stead.
- (b) Employee's Options. Upon receipt of the Notice of Charges and Statement of Employee Rights, the employee may choose one of the following:
- (1) to accept the proposed discipline;
 - (2) to negotiate a settlement on the matter. See Section 21.06 (c) Proposals and Section 21.06(d) Settlement.
 - (3) to resign. Any such resignation will be processed in accordance with Civil Service Law and Rules and the employee's services shall be terminated. Unless the incident involves a criminal offense, or threat of injury to another employee, disciplinary action shall cease upon the resignation of the employee, and the record shall be expunged of reference to the proposed discipline.
 - (4) Request an internal hearing pursuant to section 21.06(e).
 - (5) Demand arbitration pursuant to section 21.06(f)
- (c) Proposals. Each side may extend good faith proposals in settling a disciplinary charge. If both parties agree to negotiate the disciplinary charge, the proposal must be answered or countered within five (5) working days. If one of the parties does not respond to a counter proposal within five (5) working days and, subsequently, does not demand an internal hearing or arbitration within the appropriate time frame in Section 21.06(e) and (f), the discipline will stand. Either party can request an extension not to exceed an additional five (5) working days from the expiration of the initial time period.
- (d) Settlement. A disciplinary matter may be settled at any time. The terms of the settlement shall be agreed to in writing. An employee who is a member of CSEA Unit 6300 executing a settlement shall be notified of the right to have CSEA or an attorney as representative or to decline any such representation. An employee who is not a member of CSEA Unit 6300 executing a settlement be notified of the right to have representation or to decline any such representation. A settlement entered into by an employee shall be final and binding on all parties. The CSEA President shall be notified of all settlements. The employee must select an option in Section 21.06 (b) Employee's Options. If an option is not chosen within thirty (30) calendar days, the Director of Human Resources will schedule a hearing pursuant to section 21.06 (e) Internal Hearing.
- (e) Internal Hearing. The Director of Human Resources will schedule a hearing within ten (10) working days of the hearing request. After the hearing, the Director of Human Resources will issue a written decision within ten (10) working days after the hearing, unless a settlement is reached prior to the hearing or prior to the issuance of a written decision. If mutually agreed by both parties, the Internal Hearing may be omitted and the employee may submit a demand, in writing, for arbitration to the Director of Human Resources pursuant to Section 21.06 (f) Demand for Arbitration.
- (f) Demand for Arbitration. If an Internal Hearing was held, the employee may appeal the decision of the Director of Human Resources by submitting a demand for arbitration within twenty (20) working days of receipt of the decision. The Director

of Human Resources' decision will be implemented if no timely demand for arbitration is made by the employee or CSEA. Costs of the arbitration shall be borne equally by both parties.

- (g) Arbitrator's Decision. The Arbitrator's decision with respect to guilt or innocence and penalty shall be final and binding on the parties and he or she may approve, disapprove or take any other action warranted under the circumstances including, but not limited to, ordering reinstatement and back pay for all or part of any period of suspension. The Arbitrator shall consider the employee's past record in determining the penalty, if any, to be imposed in accordance with section 21.08. However, the Arbitrator shall not be allowed to increase the penalty sought by the employer in the Notice of Charges. A settlement may be reached at any time prior to the Arbitrator's issuance of a decision on the matter.
- (h) This procedure shall not affect the County's right to return provisional, temporary, probationary or seasonal employees to their permanent positions, nor shall it infringe upon the County's right to terminate a provisional or probationary employee who has no previous permanent status.

Section 21.07 Alternate Procedures with Immediate Suspension.

- (a) An employee may be suspended without pay at any time during the process if the Department Head determines there is probable cause to believe that the employee's presence on the job represents a potential danger to persons or property, or would severely interfere with operations. Suspension without pay shall not exceed thirty (30) days except in the event the employee has been charged with a crime. In the case of any suspension without pay, the employee may be allowed to use only vacation, personal and compensatory time accruals standing to his or her credit, which shall be reinstated if ordered by a hearing officer ruling or settlement between the employee and county. No other paid time will be allowed during the suspension period. The use of such accruals shall be at the option of the employee.
- (b) A suspended employee may proceed directly to arbitration by filing a Demand for Arbitration within ten (10) working days following service of a Notice of Charges.
- (c) A Notice of Charges must be served on the employee within seventy-two (72) hours following suspension. Suspension may be reviewed by the Arbitrator to determine whether the appointing authority had probable cause.

Section 21.08 Employee History. The Arbitrator shall consider efforts of the Employer to correct behavior including, but not limited to, counseling memoranda, performance improvement plans, and similar documentation during the arbitration proceedings. Such documentation and/or testimony shall be admissible if dated within four (4) years of the date of the Notice of Charges.

Section 21.09 Arbitrator Selection Procedure. The County of Chautauqua and CSEA Local 807, Unit 6300, agree to the following:

- (a) The following list of Arbitrators shall be utilized for arbitration proceedings under this Article 21, in the designated order:
- 1) Michael Lewandowski
 - 2) Martin F. Idzik
 - 3) Jeffrey Selchick
 - 4) Nancy E. Hoffman
 - 5) Lise Gelernter
- (b) Additional arbitrators may be added upon mutual agreement.
- (c) Upon receipt of a request for Arbitration of a disciplinary action, the Director of Human Resources will notify the Arbitrator next in line.
- (d) Each January (between January 5th and January 15th) either party may strike one arbitrator off the list on written notice to the other party. The parties shall then mutually agree to a replacement Arbitrator within thirty (30) days.
- (e) If an Arbitrator who is next on the list to hear a disciplinary matter is unable to hold that hearing within sixty (60) days of being notified of the arbitration, the next Arbitrator shall be contacted, and so on until an Arbitrator is reached who is able to hold the hearing within sixty (60) days. In the event that none of the Arbitrators on the list are available to hear the disciplinary case within sixty (60) days, the Arbitrator who was first selected shall be contacted for his or her first available date.
- (f) If an Arbitrator resigns from the panel, the parties shall then mutually agree to a replacement Arbitrator within thirty (30) days.

This Agreement is made as of _____, 20__ by and between the following parties:

A Municipal Corporation
Gerace Office Building
Mayville, New York 14757-1007
hereinafter called "County,"

-and-

EMPLOYEE : XXXXXXXXXXXXXXXXXXXXXXXX
XXXXXXXXXXXXXXXXXXXXXXXXXXXX
XXXXXXXXXXXXXXXXXXXXXXXXXXXX
hereinafter called "Employee."

WITNESSETH:

WHEREAS, County offers various health insurance plans to its employees, including the High Deductible Health Plan(HDHP) option which was selected by Employee, and

WHEREAS, employees who choose the HDHP option receive contributions from County which are deposited into a Health Savings Account (HSA) every January, July and October, and such individuals may make individual HSA contributions via bi-weekly payroll deduction, and

WHEREAS, HSA funds are available for qualified medical expenses, including deductible expenses for which employees are responsible, and

WHEREAS, deductible expenses incurred by an employee can constitute a hardship to the employee in the event the HSA is not yet funded to the extent of the deductible, and

WHEREAS, in recognition of this hardship the County has agreed to provide a loan to employees who have demonstrated a need in such circumstances, not to exceed the employees' anticipated HSA contributions for the remainder of the calendar year, with the maximum loan amount being:

- (a) the amount of Employee's health insurance deductible met as of the date of the loan, as shown on Employee's most recent statement from Univera;

(b) less County's HSA contributions as of the date of the loan;

(c) less employees' HSA contributions as of the date of the loan.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. Loan Amount. Effective _____, County shall loan to Employee the sum of _____ and ___/100 Dollars (\$ _____), which represents the need demonstrated by Employee but not more than the maximum amount based on the formula set forth above.

2. Repayment Terms. Employee shall repay the principal amount, plus interest at the average rate of interest which is received by County on its Money Market funds. The current average interest rate is one quarter of one percent (.25%) per annum.

Employee shall make payments to County via bi-weekly ACH deductions from a bank account designated by Employee. Such deductions will be made every two weeks, on the Friday of the week that County issues payroll deposits and payroll checks to its employees. In the alternative, to the extent allowed by law and if agreed upon in writing by Employee, loan payments will be deducted directly from an employee's payroll deposit or paycheck.

Payments will be in the amount of _____ until the principal and interest have been re-paid in full. In no event shall repayment extend beyond _____. Pre-payments will be accepted without penalty. Payment should be issued to "Director of Finance," and submitted to the County's Director of Finance.

3. Employment Status. Should Employee cease to be employed by County for any reason at any time prior to full repayment of principal and interest, the unpaid balance shall be immediately due and owing. Any such principal and interest not repaid within ten (10) days of the last date of employment shall be subject to interest, effective as of the day after the last day of employment, at the rate of four percent (4%) per annum.

6. Separability. In the event any provision of this Agreement is found to be invalid and/or unenforceable, such provision shall be struck to the extent of its invalidity or unenforceability. All remaining provisions shall be valid and binding on the parties.

7. Entire Agreement. This Agreement contains the sole and entire agreement between the parties relating to the loan provided hereunder.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first set forth above.
